people come into our lives for a reason

we are led to those who help us most to grow

Acutually, I might consider leaving the army. I do believe in tranquility.

I'm no hippie but I do agree this whole army thing is ridiculous. What is the purpose of it even? Are we going against the mods again for the one hundredth time because apparently we didn't learn from the last 99?? And why did we start the spamming name thing again...those things died for a reason. If I see one more thing about Kevin I think I'm going to scream. Do you all not remember how the last one ended?? People got banned and people got hurt so why on earth are we doing it again?

Sorry I started ranting, I'll go now..

on a more serious note:

yea, why do we even have an army? who must be fought or who must we defend against? the mods? kevin? trolls? that ain't gonna stop them. (except kevin. kevin is weak) is this a fwrp or something? why have an army with no purpose?

peace, my dudes

@Marine: I'm not sure. Atlas just came up with the idea, so maybe you should ask him.
